Spread Hope

We are so excited that many of you have joined us in trying to spread hope in our community, keep up the great work! Continue to look for ways to spread the hope of Jesus even in small ways. It could lead to opportunities to share the hope we have in Jesus!

As a part of our Spread Hope initiative we will be interviewing people who are making an impact in our community. We recently interviewed Kristen Albright who lets us know how to deal with anxiety. You can see the interview here: <https://www.lincolnglen.org/community-interviews>

Spreading Hope at Lincoln Glen Manor

We want to keep spreading hope to the Manor. We would love for everyone to write encouraging notes to the 151 residents and the 169 staff members at the Manor. We can't give out a list of names so just write generically but give hope and an encouraging Bible verse. If just 32 of us wrote 10 notes that would cover the all the residents and staff! When you complete your notes, please drop them off in the church office mail box.
