

Lincoln Glen Church's Update on Gathering in Person

There is a lot of confusion about when and how churches can gather together in person again. We will give you a brief update here and we will give an indepth update during our online service this Sunday, May 31st. We have read the state's guidelines for churches gathering in person. We are working with that and many, many other resources to form our plan for when we gather in person again.

In the meantime, we are continuing to follow the local Santa Clara County health order which does not permit us to gather in person. We do this not out of fear but out of obedience to our faith! We do it in the name of wisdom and safety. We do this to love our neighbor.

We believe that the church is essential! We also believe that the church cannot reopen because it has never closed! The church is the people of Jesus. The people of Jesus cannot be closed even when we're not gathered together! We will continue to be online for now and cannot wait for the day we can gather safely in person!

New Bible Reading Plan!

You can download the bible reading plan from our homepage: lincolnglen.org

Instructions: Slow down, read two chapters a day (maybe re-read it a few times) then reflect on these questions:

- What truth is being taught here?
- What is being revealed about Jesus?
- How should my life change because I read this?
- Pray about what the Holy Spirit is trying to teach

Spreading Hope at Lincoln Glen Manor

We want to keep spreading hope to the Manor. We would love for everyone to write encouraging notes to the 151 residents and the 169 staff members at the Manor. We can't give out a list of names so just write generically but give hope and an encouraging Bible verse. If just 32 of us wrote 10 notes that would cover the all the residents and staff! When you complete your notes, please drop them off in the church office mail box.

Youth Group

Join us on Thursday for a Zoom hangout at 6pm! For an invite to this zoom, please contact Nick Rice (nickrice133@gmail.com)

Kids Zoom

We are doing a fun Zoom hang out for children every Friday at 4pm! There is teaching, worship music and lots of silliness! For an invite to this zoom for your children contact Larry (larryalbright72@gmail.com).
