### **Small Group Questions**

On Sunday we heard the story of Jesus in the lives of other people during the service. Let's go around and have everyone share how Jesus has been at work in your life either by sharing your testimony or the story of Jesus at work in your life another way.

If you share your testimony (the story of how Jesus got a hold of you) focus on 1. What your life was like before Jesus 2. How Jesus got a hold of you and 3. How your life is different now because of Jesus.

If you share a different story of Jesus at work in your life in another way focus on 1. What was the situation in your life before you felt like Jesus worked in your life (what was the need/what was life like) 2. How did Jesus work? 3. What lessons did Jesus teach you in the process?

Let's spend some time praying together.
